

# **Richland Farmers' Market 2020 Covid-19 Protocol**

1. Please wear a mask when coming to the market and practice social distancing.
2. A handwashing station will be available for all farmers, vendors, and customers. We strongly urge you to use it.
3. Please keep an area at your stall for you to collect your trash. At the end of the day please throw any trash away in the dumpster in the parking lot only.
4. Please keep hand sanitizer visible at your booth and use it in between any transactions with customers.
5. Limit the amount of product visible on your table for customers to handle.
6. At this time we will not be doing any sampling.
7. The RACC will be open for restroom use.

This is new for all of us and I know if we work together we will fall into a new routine and everything will run seamlessly. If you have any suggestions, questions or concerns please contact [Richlandfarmersmarket@gmail.com](mailto:Richlandfarmersmarket@gmail.com)
